

ADDENDUM B: ANTI-PLAGIARISM DECLARATION

OPEN WINDOW

Declaration regarding Plagiarism Policies:

Open Window places great emphasis upon integrity and ethical conduct in the preparation of all written work and creative work submitted for academic evaluation.

While the academic staff body teaches you about acknowledging research, referencing techniques and how to avoid plagiarism, you too have a responsibility in this regard. If you are, at any stage, uncertain as to what is required to acknowledge reference to sources, you should speak to your lecturer before your work is submitted.

You are guilty of plagiarism if you copy something from another author's or creative's work (e.g. a book, an article, or visual text etc.) without acknowledging the source. This implies that you are attempting to pass it off as your own. In effect, you are stealing something that belongs to someone else. This is not only the case when you copy work word-for-word (verbatim), but also when you submit someone else's work (written or visual) in a slightly altered form (paraphrased / appropriated) or use a line of argument without acknowledging it. You are not allowed to use work previously produced by another student or previously submitted by yourself (unless it is a resubmission). You are also not allowed to let anybody copy your work with the intention of passing it off as his / her work.

Students who commit plagiarism will not be given any credit for plagiarised work. The matter will also be referred for disciplinary action. Please refer to OW Plagiarism Policy & OW Plagiarism Procedures for more information.

Lecturers at Open Window will not accept any projects, written or practical, unless this form has been completed and attached to the work submitted.

I declare that:

1. I am aware of Open Window's policy regarding plagiarism and I understand exactly what plagiarism is.
2. The work submitted is my own original work.
3. Acknowledgement was given accordingly to reference made to other sources' work / projects / ideas / concepts / theories, etc., whether extracted from a source in a digital, printed, or verbal nature.
4. The submitted project does not belong to any current or previous student, or been copied from any current or previous student's work / projects / ideas / concepts / theories, etc.
5. I have not let anybody use, submit and / or copy my work for evaluation or submission purposes.
6. I am aware that plagiarism is a criminal offence and that Open Window reserves the right to conduct a disciplinary hearing, take legal action or even expel me should I be found guilty of plagiarism.
7. I have read the Open Window's Plagiarism Policy and understand the contents thereof.
